REQUEST FOR REFUND

Dear Sir:

The undersigned hereby requests a refund in the amount of \$180.00, which was deducted from our deposit account number 50-0911 on April 17, 2007.

This deduction indicated the reason for the charge was for an Information Disclosure Statement fee for an IDS that was filed on April 6, 2007. Applicants contend that no fee was due because a certification was made that "each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement". This certification was indicated by a checked box on our IDS filed on April 6, 2007. Further there was a non-final office action outstanding, so prosecution was not closed. As a result no fee was due for this IDS filing.
